Fall Social: AleWerks Brewing Company Tour and Tasting

Saturday, September 20, 2014

AleWerks Brewing Company
189-B Ewell Road
Williamsburg, VA 23188
757-220-3670
<http://alewerks.com>

2:00 – 3:00 PM: Tour & Tasting

Cost: \$6.50 per person

Reservations: Please notify Jeff Wiese at 804-421-7897 or wiese@nleng.com by **Wednesday, Sept. 17**. Everyone is welcome. **Please wear close-toed shoes on the tour.**

Chairman's Message:

Welcome back from the summer hiatus. We are starting the new season with a social gathering at AleWerks Brewing Company in Williamsburg for a tour of their facility and a tasting of their products (and you get to keep the glass). It is an opportunity to meet some of the other members and interact with some of the officers. Come by and let us know how we can make the chapter and ASM more useful to you. All members and their guests are welcome. We hope to see you there.

We have most of the meetings planned for this season as shown below. We are continuing to offer professional development hour (PDH) credit for the technical topic meetings to help our members with professional engineer licenses to meet their continuing education requirements. It also helps to attract attendees from other societies.

On another subject, we could really use your help. We are always looking for assistance with organization and planning. Our most recently recruited chapter officer, Kurt Thompson, is in his fifth season as a member of the executive committee. Don Geisler has served since 2000, and Jim Hurst, who was an officer for 15 years in his previous chapter on Long Island when he moved to our area in 2001, has been an officer in our chapter ever since. Steve Gentz was an officer while he was in our area from 2007 to 2010 and has continued as treasurer and/or newsletter editor even after he transferred to Huntsville in 2010. I have been an officer continuously since around 2000 and on and off before that.

We are spread thin. There are things that we would like to do to help the chapter and the community, but we do not have the manpower. If you are willing to help, then please contact me or any of the other officers. Our email addresses are listed in every newsletter.

Jeff Wiese

About the Event (From the AleWerks web site):

"Tours start off with a brief discussion of the rich history of beer and its ingredients, the story of AleWerks and our unique American hand-crafted ales, and a guided look at our brewhouse and the process of brewing. Then it's back to the store for a full tasting and an imprinted AleWerks tasting glass for you to take home.

"We look forward to seeing you and sharing our brews!"

"The Alewerks Brewery is a working brewery and our employees will continue to work throughout the tour. Please be respectful of their workspace and follow the tour guides instructions in the brewery.

"Please wear close-toed shoes on the tour."

Directions:

Note: For people traveling from the Richmond area, we will be carpooling from the Food Lion north of the Bottoms Bridge exit on Interstate 64 (Exit 205), so let Jeff Wiese know if you would like to catch a ride.

Heading East on I-64 from the Richmond area:

1. Take exit 234 for State Route 646, Go 0.3 mi
2. Merge onto VA-199 E, Go 0.8 mi
3. Take the exit toward VA-603 E/Mooretown Rd/Rochambeau Dr, Go 0.2 mi
4. Merge onto Mooretown Rd, Go 1.8 mi
5. Turn left onto Ewell Rd, Go 384 ft
6. Arrive at 189 Ewell Rd

Heading West on I-64 from the Newport News area:

1. Take exit 238 for VA-143 E toward Williamsburg/Colonial, Go 0.2 mi
2. Turn left onto VA-143 E, Go 0.3 mi
3. Turn right onto E Rochambeau Dr, Go 1.3 mi
4. Turn left onto State Rte 645, Go 1.9 mi
5. Turn right onto VA-603 W, Go 0.6 mi
6. Turn right onto Ewell Rd, Go 384 ft
7. Arrive at 189 Ewell Rd

Upcoming Events:

- October:** Finite Element Methods and Real World Engineering* (Joint Meeting with ASME in Richmond)
- November:** Students' Night with Dr. Robert Pond, Jr. (Virginia Beach)
- January:** Aluminum Bridge Deck Structures, Design, and Materials* (Joint Meeting with ASME in Richmond)
- February:** Engineers' Week Activities (Tidewater and Richmond)
- March:** CO₂ Dragster Contest at Celebrating Engineering Ingenuity Day (Richmond)
- April:** Crystal Growth* (Williamsburg)
- May:** Spring Social: All You Can Eat at Bottoms Up Pizza (Joint Meeting with ASME in Richmond)

* One (1) PDH credit will be awarded for each Technical Topic presentation
